

Entry Clearance Manager (ECM) Appeal Review

Applicant Name	
Post Reference	ISB/
IAC Reference	OA/2012

1. The Application

The appellant had sought entry clearance as a [insert category]. The Entry Clearance Officer (ECO) decided that the appellant had not met all the requirements of paragraph [insert paragraph] of the Immigration Rules for the reasons set out in the attached notice of refusal.

2. The evidence provided to support the application

Following the refusal of the application, the refusal notice advised the appellant to submit any additional evidence they may have in order that the concerns mentioned in the notice could be properly addressed by this office.

3. The Appeal

The applicant has been refused for the reasons set out in the ECO's Notice of Decision. The application and grounds of appeal have been reviewed by the Entry Clearance Manager and the decision to refuse entry clearance has been maintained. There is no explanatory statement attached due to resourcing issues in Islamabad.

I respectfully request that the Immigration Judge disregards any new evidence presented to the hearing which postdates the decision of the application by the ECO. Furthermore I respectfully request that the Immigration Judge takes into consideration the UK's right to an effective immigration control when weighing up any Human Rights considerations put forth by the appellant at the hearing.
