BRP Unique Number: [REDACTED]

You may already have received a letter from the Home Office advising you that a decision on your application has been made and any supporting documents returned to you. Please find attached your Biometric Residence Permit (BRP). It is an important document and you should look after it carefully. It is proof of your right to stay, work or study in the United Kingdom and may be used as a form of identification. You must comply with time the limit and any other restrictions placed on your stay in the UK: these are set out on the BRP or in your decision letter.

The BRP has a unique number in the top right hand corner, which is also shown at the top of this letter. You should keep this letter safe and in a separate place to your BRP as you will need the unique number to apply for a replacement if your BRP is lost, stolen or damaged. You should also take a photocopy of the front and back of the BRP for your own records and remove any residual of the glue used to affix the BRP to this letter from the back of the BRP. You must not laminate your BRP as this will damage the card and you will be responsible for paying for a replacement if you do so.

You must check the BRP carefully to make sure that all the details on it are correct, as you are required by law to have a BRP that accurately records your personal details and the type of permission you have to be in the United Kingdom.

If the mistake includes length or conditions of stay **and** your application was made from within the United Kingdom please go to www.gov.uk/ask-for-a-visa-administrative-review/if-youre-in-the-uk

For **all other** mistakes please use the service at www.gov.uk/brp within 10 working days of receiving your BRP. Alternatively you can send your details including the BRP unique number, your full name, date of birth and contact details along with an explanation of what you think is wrong with the BRP by post to:

**Freepost RRYX-GLYU-GXHZ

If you have been granted Leave to Enter as a Tier 2 General, Sportsperson or Minister of Religion Migrant following an application made on or after 15th June 2016, your National Insurance Number (NINO) will appear in the remarks on the reverse of your BRP, so there is no need for you or your employer to make a separate application to the Department for Work and Pensions to obtain one. Further information about the National Insurance Number can be found at www.gov.uk/national-insurance

If you have received a BRP that does not belong to you please return this letter and the BRP to the Freepost address above, with a short explanation.

For further information about the BRP, please go to www.gov.uk/brp.
